Sir:

The undersigned hereby declares the following:

I am knowledgeable in Japanese and English. I verify that, while “device for wrapping bean jam” is a transliteration of the word “HOUANKI”, which appears in PCT/JP2004/08532, “encrusting machine” is the more accurate English translation of this term.

All statements made herein of my own knowledge are true and all statements made on information and beliefs are believed to be true. Further, these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
